

RAYS of HOPE

5K WALK

October 7, 2017

What Would Bri Do, Inc. will be hosting the 1st Annual Rays of Hope 5K Walk. This walk will start from the Angel of Hope in Sartell and will be packed with fun filled family activities at the Sartell Community Center before the walk. The loss of a child or loved one is very difficult and no two people grieve the same way. The Angel of Hope Sculpture, which is nestled along the shores of Lake Francis in Sartell, is a place where individuals from Central Minnesota can come together to grieve the loss of their child or loved one. The walk will raise money to support the Candlelight Vigil that is held every December 6th and also help with maintaining the Angel of Hope Garden.

 Located at 850 19th Street South, Sartell, MN 56377
